## TRANSNET PORT TERMINALS

navis®

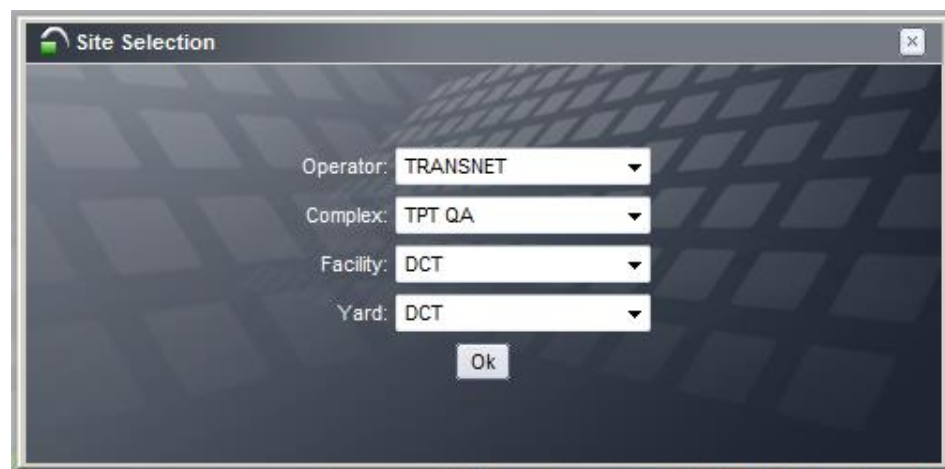

UTILIZING  
THE CUSTOMER ACCESS PORTAL

## 1) Utilizing CAP to view pre-advised units

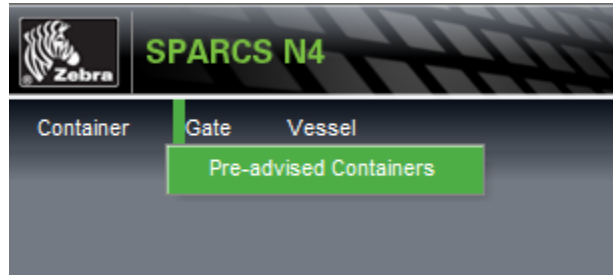

- 1.1 Sign into CAP using the URL below  
<http://41.160.4.49:9080/apex/cap.zul>
- 1.2 Select login and use the credentials provided by the **TPT Call Centre** to sign in.

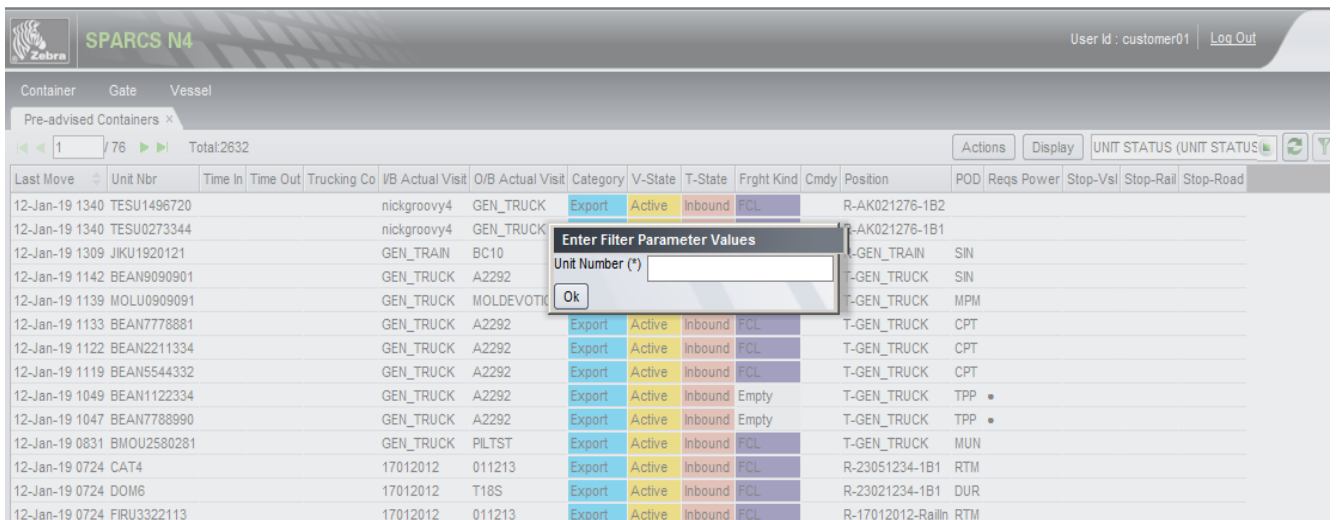

- 1.3 Select the facility you would like to sign onto

1.4 Select Gate from the menu bar and select Pre-advised Containers

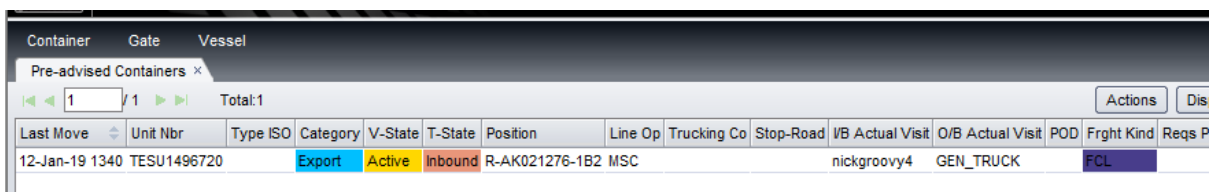

1.5 The **Pre-advised Containers** screen will appear. Enter the unit number in the filter screen and select OK.

If the unit is pre-advised, it will be found and displayed

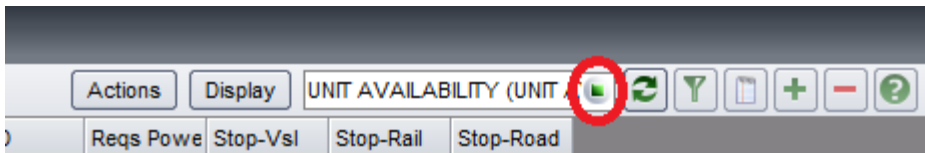

Last Move	Unit Nbr	Type ISO	Category	V-State	T-State	Position	Line Op	Trucking Co	Stop-Road	VB Actual Visit	O/B Actual Visit	POD	Frght Kind	Reqs P
12-Jan-19 1340	TESU1496720		Export	Active	Inbound	R-AK021276-1B2	MSC	nickgroovy4		GEN_TRUCK		FCL		

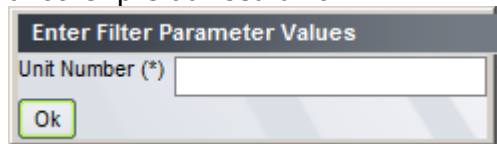

If the unit is not pre-advised, it will not be found and no data will be displayed

- 1.6 To re-search for another unit to check if it is pre-advised or not, select the filter button highlighted by the red circle and select a filter

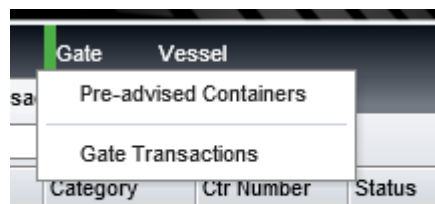

Then search window will then appear and allow a user to search for another pre-advised unit.

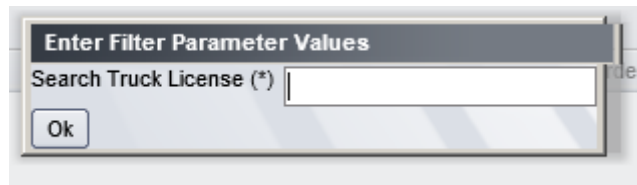

## 2) Utilizing CAP to search for a Truck Visit

- 2.1 Click Gate from the menu bar and select Gate Transactions

2.2 The search window will then appear and allow the user to search using the Truck License

2.3 The search will bring back the most recent transactions processed by the particular truck.

Ctr Number	Truck Visit	Truck Lice	Start Date	Changed Date	Stage ID
CADU4001288	FWX609MP		13-Jan-14 1500	13-Jan-14 1645	outgate
FCIU8786088	FWX609MP		12-Dec-04 2023	12-Dec-04 2048	outgate
MSKU9206615	FWX609MP		13-Jan-17 0914	13-Jan-17 1028	outgate
TCNU8718664	FWX609MP		12-Dec-04 2336	12-Dec-05 0028	outgate

**Start date:** The time that the truck entered the staging area at Pier 2 or the terminal in the terminal at Pier 1.

**Change Date:** The time that the truck exited the terminal

**\*END\***
