

26 June 2014

Dear Customer

**ADDENDUM TO TPT TARIFF BOOK APRIL 2014: REEFER POWER SUPPLY CHARGE FOR TRANSHIPMENT CONTAINERS (clause 2.6 page 11)**

The addendum issued on 30 May 2014 refers.

After taking feedback received into account TPT has made a further revision to the original addendum.

Transnet Port Terminals hereby notifies you of the amendment of the following container tariff at Container Terminals effective **1 July 2014**:

**REEFER POWER SUPPLY CHARGE FOR TRANSHIPMENT CONTAINERS (clause 2.6 page 11) to read:**

"Reefer power supply charge for transshipment containers including fantainers from the date of discharge of the container until the earlier of the arrival or the stack opening of the final on-carrier vessel. (Per day or part thereof)

In the event of a Shipping Line requesting a stack closing date which is later than the arrival of the on-carrier vessel or the on-carrier vessel making more than one call at the terminal the reefer power supply charge will be applicable from date of discharge of the container until the stack opening of the final on-carrier vessel (per day or part thereof)"

Any inconvenience is sincerely regretted.

Kind regards
