

**DRIVER and TRUCK MANAGEMENT SYSTEM (DTMS)**  
**SUPPORTING DOCUMENTS REQUIRED FOR UPLOADING**

For the different sections of the system you would require the following supporting documents, that must be uploaded in **pdf** format:

**Trucking Company Registration**

- Company Registration Certificate
- Proof of Physical Business address

**Trucking Sub-Contractors Registration (if a sub-contractor)**

- Letter on Company Letterhead from Parent Company
- Own Company Registration Certificate
- Proof of Physical Business address

**Trucks**

- Truck Registration Certificate/latest license renewal proof
- TNPA Harbour Carrier permit (copy reflecting serial number)
- TPT RFID Card Application or other document reflecting truck RFID card number and truck BAT number

**Drivers**

**SA Drivers**

- Front of Driver's License
- PDP – Professional Driver Permit (reflecting the cargo type that driver is certified to carry)
- Proof of Physical Home Address

**Foreign Drivers (employed in RSA)**

- Passport - copy of bio page
- Visa/work Permit
- Proof of Physical RSA Home address
- RSA Traffic Register
